To all members of the Shimer community:

Here's a report on APC action since the last Assembly meeting and a couple of other related matters.

The final work of last year's Academic Planning Committee included:

1) Finishing the faculty hiring process of Daniela Barberis, Aran Dunlap and Adam Kotsko, and informing all other applicants that the search process was now concluded.

2) Revision of the course evaluation form: The faculty has reviewed, and the APC has now approved, a revision of the course evaluation form pending review by a consultant with expertise in such questionnaires.

Elections for membership on the 2011-2012 APC took place at various times and places in the last couple of months, so here is a list of the entire committee:

Barbara Stone (Chair), Heidi Angeles, Kate Burke, Ann Dolinko, Jim Donovan, Kieran Kelley, Eli Nelson, Rebecca Noble, Stuart Patterson, David Shiner, Sarah Walls-Rosenberg

We have set our first meeting for September 20th.
