

## What's New in Your Life?

**Get married, complete your doctorate, have a baby, or move to a different part of the country?** Your fellow alumni would love to hear about it. One of the easiest ways to let the Shimer community know what's new in your life is to use the [Class Notes](#) feature on the alumni website. [Class Notes](#) allows you to quickly write an entry about important events in your life, upload any photos you may want to share, and then post that information on the website with a few easy steps. Once logged into the site you can go to the *My Class Notes* link at the top of the page, select *Add Class Note*, and submit your text and pictures.

To read notes from your former classmates, you can go to the [Class Notes](#) tab on the front page. It can be found on the right side of the page under events. You can search by topic, date, or class year. For more information on how to use the Class Notes feature, please have a look at our new [Help](#) section of the website. It provides further details on how to use [Class Notes](#), as well as many other features of the website.

We look forward to hearing from you
